SHK+E
ESSEN

Trade fair for sanitation, heating,
air conditioning and electrics

17.–20.03.2026

UNVEIL NEW PRODUCTS, MAXIMISE SALES POTENTIAL

As a key driver of the industry, SHK+E ESSEN, being held from **17 to 20 March 2026**, offers the ideal platform to showcase innovative solutions and high-potential products from the tool sector. Top themes such as functionality, efficiency and safety will take centre stage at the trade fair: ergonomic hand tools, interchangeable components and automated or semi-automated solutions simplify tasks and provide users with clear, practical benefits. Innovative electric and battery tools score with increased power, extended battery life and enhanced safety and convenience. Intelligent tool solutions and interconnected systems unlock new application areas and reach additional target groups.

Secure your stand space now to showcase your product range to buyers and decision-makers from the tool wholesale and skilled trade sectors.

of visitors plan to visit again*

INNOVATIVE TRADE FAIR FORMAT

SHK+E ESSEN has been a key player in the market for over 50 years, evolving into one of the leading trade fairs in the sanitation, heating, air conditioning and electrics industries. It brings together HVAC professionals from the skilled trades and installation, planning and consulting sectors in Germany's largest metropolitan area. As the first industry highlight of the year, SHK+E ESSEN looks to the future, presenting cross-trade solutions, innovative products, special expert forums and specialist areas, as well as a top-notch supporting programme.
